

Selected Qualifications, 1995 to Present

**Year: Client (Lead contractor)**

Note: Images for "Current Projects" cannot be used until after final public publication.

**2009: NRG Solar Plant, El Paso, Texas; EIR (SAIC)**

Photo simulations showing proposed power plant in inactive and active states

**2009: El Paradiseo Ranch, Gaviota Coast, SB County; EIR (AMEC)**

Photo simulations showing detailed depictions of proposed ranch homes as they would appear from sensitive viewing locations

**2008: Knollwood Meadows Color Studies (Towbes Group)**

Videoscapes "finished" the buildings under construction and created depictions of their final appearance to assist in paint color choices

**2008: Ocean View Plaza Hotel Shadow Studies; EIR (Padre Associates)**

Videoscapes created graphics using a location based daylight simulator to identify shoreline areas that would be shaded by proposed construction

**2008: Shopping Center Remodel (Recuerdo Properties)**

Shopping Center in New York City was modeled and various resurfacing options were tried out using computer renderings

**2008: SoCal Gas Drilling Rig, Visual Impact; EIR (Padre Associates)**

Photo simulations showing depictions of drilling rig (including night views) from sensitive viewing locations

**2007: Clearwater Port Floating LNG Terminal; EIR (Padre Associates)**

Two year study searching for sensitive viewpoints and creating photo simulations, including night time views, of the proposed terminal

**2007: Oxnard Transportation Options (MNS Engineers)**

Two year study of traffic control options, including aerial view photo simulations.

**2007: City of Santa Barbara Scenic Views Inventory (URS)**  
MEA Update  
Search for, select, review with city staff, and document the important viewsheds within the city.

**2006: Isla Vista Master Plan, County of Santa Barbara (SAIC)**  
Visualizations of full build-out as would occur under different height and set-back restrictions.

**2005: City of Taft Redevelopment Plan (Alex Pujo)**  
Plan and perspective views of proposed redevelopment in the city of Taft along an old railway easement.

**2004: Cottage Hospital Remodel, Santa Barbara (Brian Cearnal)**  
Panoramic photo illustrations from different views of the initial design concept.

**2003: Marborg Re-cycling Plant, Santa Barbara (Lenvik and Minor)**  
Photo simulations depicting the project from several views, including from the 101 freeway.

**2002: Simi Valley Landfill Expansion (SAIC)**  
Using USGS three dimensional terrain data, Videoscapes modeled the proposed landfill mass and made photo simulations of sensitive views.

**2001: Entrada de Santa Barbara, Ritz-Carlton (SAIC)**  
Extensive photo simulations were prepared to depict the controversial project from sensitive points of view.

**2000: Parking Lot No. 6., City of Santa Barbara (Wilbur-Smith)**  
Photo simulations, including from the courthouse tower, show the proposed parking lot through various design modifications.

**1999: Harris Grade Housing Project, Santa Barbara County**  
High resolution terrain modeling was used to accurately depict the proposed homes as they would appear from sensitive views.

**1998: Rice Ranch Housing Development, Orcutt, Ca. (SAIC)**

High resolution terrain modeling from survey data was used to accurately depict the proposed homes as they would appear from sensitive views

**1997: Point Orient Tank Farm, Richmond, Ca (SAIC)**

Huge oil storage tanks were modeled and sited to prepare visual simulation documentation of the proposed project.

**1996: Old Town Goleta Re-development Visualization**

Depiction of an architect's concept showing build- out of the proposed redevelopment effort along Hollister Ave, Goleta, Ca.

**1995: San Ysidro Ranch Poolhouse Concept Study**

Videoscapes began in 1995 in association with Mon-Arc Designs, in Montecito, California.

Videoscapes works hard to maintain client and contractor satisfaction. Please feel free to call any of the agencies listed above for referral.

**“Exceptional creativity, experienced project management,  
and stellar client support”**  
**David Stone,  
Planner, Santa Barbara**
